2020 SUMMER DANCE PROGRAM & CAMPS

The Spotlight Summer Dance Program is an excellent opportunity to introduce the first time student to the world of dance, as well as allow continuing dance students to strengthen their dance skills and try some speciality classes. We look forward to working with your talented children and making this a memorable and positive experience! Your dancer is welcome to come to class at the studio .We will be also holding the online class for dancers through Zoom.You will receive the special Zoom link, once we receive your payment.

Our goal is to encourage and motivate, promote self-esteem and provide an exciting experience that allows for peer interaction while your dancer is learning and following instructions.

Through combinations and exercises at the barre and across the floor, children will learn coordination, creative movement, flexibility, technique, strength, gracefulness, precision of steps, self-expression and choreography. They will also be learning Musical Theater through movement and singing. Our classes have a perfect balance of fun and hard work in a stress-free environment.

Attire for all summer classes & camps: Girls should wear a leotard with tights, skirt, or shorts, pink ballet shoes, tan tap shoes, and tan jazz shoes or tennis shoes for hip hop. Boys should wear a t-shirt and shorts or dance pants, black ballet shoes, black tap shoes, and black jazz shoes or tennis shoes. Please write your child's name in all dance shoes and clothing to prevent any mix ups.

Watch Days: Parents and friends are invited to observe through a Zoom link each day. On the final day the dancers will give you a special performance through Zoom for the last 30 minutes of camp.

What to Bring: Please pack a water bottle and snacks for your child each day. There is no drinking fountain.

Precautions that must be followed:

Please have your dancer wear his or her mask to class and around the studio. If it gets too hot or too hard to breathe they may take it off during class and I will be diligent at keeping the dancers 6 or more feet apart and having them wash their hands after every class or after touching their face. The dancers will also be able to leave their bags, water bottle and shoes on an orange X marked along the studio perimeter. I have hired a professional cleaner that comes in after us for extra sanitization.

A teacher or teacher assistant will meet your dancer at the front door, take their temperature and direct them into their class. If you arrive early, please have your dancer wait in a concrete square on the sidewalk. Please use the second door of both studios to enter the studio and the door closest to the front door to leave each studio. The doors are clearly marked In and Out.

We have moved the benches to the middle of the hallway. The right side is for going to class and the restrooms and the left side is for leaving the studio We have placed arrows on the floor to easily identify the direction of the hall.

Due to mandated capacity limitations parents and siblings are not permitted in the studio. Please drop off your dancer at the door. If you would like to watch you can log into the Zoom link. If you need to speak with the front desk to ask a question or make a payment please wait outside and they will come out to see you.
