2021 SPRING LITTLE STARS PROGRAM (1/18/21)

Welcome *Spotlight Dancers* to the 2021 Spring session of the Little Stars dance program. Our goal is to introduce dance to your child while promoting self-esteem and peer interaction.

What's New: Little Stars is a side by side class where Mommy, Daddy or a guardian may participate in the class to help with social distancing, shoe changing and escorting their little one to the restroom. Masks will be worn by all participants in the class and in studio class size is limited to guarantee sufficient space between dancers. For those not wanting to come to the studio they may participate via Zoom.

Class Session: The Spring Program is (4) months of 1/2 hour classes meeting once per week.

Tuesday students	February 2nd - May 18th
Wednesday students	February 3rd - May 19th
Friday students	February 5th - May 21st
Saturday students	February 6th - May 22nd

Attire:

- Girls are required to wear leotards and tights, and pink leather ballet shoes (no satin ballet slippers), and tan tap shoes. As in prior years, no Target, Walmart or other tap shoes with aluminum taps may be worn in the studio as they will damage our floors.
- Dance shoes are not to be worn outside of studio (wood floors and carpet at home are ok). If your child's shoes have scratches, get scratches or have been worn outside, they will need to be replaced.
- Girls may wear a skirt over their leotard so long as they will not be distracted by it.
- Boys are required to wear a t-shirt and dance pants or sweat pants, black ballet shoes, and black tap shoes.
- Parents should wear something comfortable that is easy to move around in and socks or if they have them, dance shoes.
- Outside shoes may not be worn on the dance studio floor.

Scheduled Breaks & Special Weeks:

- Sweet Week: Tuesday, February 9th through Saturday, February 13th
- Green Week: Tuesday, March 16th through Saturday, March 20th
- No dance classes: Tuesday, March 30th through Saturday, April 6th
- Spotlight Spirit Week: Tuesday, April 20th through Saturday, April 24th.

Other Notes:

- Only registered students and their parent or guardian may enter the studio due to capacity limits.
- During the last scheduled class, we will hold mini-recital to demonstrate what the students have learned during the session. A Zoom link will be provided for family and friends so they can watch.

We look forward to working with your very talented children and making this a very memorable and positive experience!
