Attire:

Girls are required to wear leotards and tights, and pink leather ballet shoes (no satin ballet slippers), and tan tap shoes. Please note that no black patent leather tap shoes may be worn as the taps are harmful to our dance floors. Girls may wear a skirt over their leotard, if they will not be distracted by it. Boys are required to wear a t-shirt and dance pants or sweat pants, black ballet shoes, and black tap shoes. Please write your child's name in all shoes to prevent mix-ups. Please note that dance shoes are not to be worn outside the dance studio. The reason is that any damage to the bottom of the shoes (especially tap shoes) will damage the finish on our floors. If your child would like to practice at home inside the house that's ok. Just make sure they do not wear their shoes outside of the house or on any type of unfinished floor including concrete basements.

Restroom:

Please make sure your child has used the restroom before class. The instructors and helpers can only escort the children to the restroom. They are not permitted to assist in any way inside the restroom. If your child needs help in the restroom please remain in the building.
